

# Mobile Alert GPS Smart Tracker Features & Specifications

## Mobile Alert GPS Smart Tracker Features

### Digital OLED Display

- **Alert Information**  
SOS & fall detection alerts
- **Daily Activity** # of daily steps & percentage of daily activity goals
- **Cellular & WiFi**  
Displays signal strength
- **Battery**  
% of battery remaining
- **Inbound Caller ID**
- **Date & Time**

### Hands-Free Cellular

- **Place Calls**  
with push of a button
- **Accept Calls** from up to five white listed numbers
- **Auto Answers** after three rings for hands-free communication
- **Scrolling** through five stored contact numbers
- **Auto Locate / Track Device** via Voice/SMS/APP for GPS location

### False Alarm Reductions

- **20 Second Delay**  
built-in to allow time to cancel false alarms
- **WiFi Confirmation** of home address when in range reduces inaccurate information sent to responders & unnecessary forced access
- **GPS Last Location** is stored with date & time for areas with weak signal strength

### Battery

- **50%** larger battery
- **Up to 6 Days** standby time
- **Wireless Charging**  
Qi compatible
- **1100 mAh, 3.7v**
- **Voice Announce**
- **SOS**
- **Fall Detection**
- **Daily Alarm Notification**
- **Daily Activity Goals**
- **Low & Critical Battery**
- **14 Pre-recorded Messages**

## Mobile Alert GPS Smart Tracker Specifications

<b>Communication Modes</b>	Voice/SMS/Data/GPS/WiFi	<b>GPS Accuracy</b>	<2.5m CEP @-130dBm; ≤ 10 m
<b>Data Support</b>	SMS, TCP/IP, UDP	<b>GPS Sensitivity</b>	Tracking: -165dBm Acquisition: -148dBm
<b>Operating Band</b>	U.S. 4G LTE CAT-1; B2/B4/B12 EU B1/B3/B7/B8/B20 3G HSPA 800/850/1900/2100MHz	<b>GPS Start Time</b>	Cold start: 35s typ @-130dBm Warm start: 30s typ @-130dBm Hot start: 1s typ @-130dBm
<b>Operating Temperature</b>	-4° F to +131° F	<b>Battery &amp; Charger</b>	Secure-lock magnetic charging cradle Supports wireless Qi 1100 mAh, 3.7 volt   UL-Listed
<b>Working Humidity</b>	5% to 95%	<b>Charging Time</b>	Charging Cradle 2-3 Hours, 500mA (max) Wireless Qi 5-6: hours; 200mA (max)
<b>Waterproof Rating</b>	IP67	<b>SIM Card Type</b>	Nano SIM
<b>Dimensions</b>	1.81x1.88x0.74" (46x48x19mm)		
<b>Weight</b>	1.9 oz (56g)		
<b>OLED Resolution</b>	128x64		
<b>Accessories</b>	Charger, neck lanyard, belt clip holster		
<b>Certifications</b>	FCC/CE/RoHS
